

# **ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY**

KEY CONCEPTS FOR CLINICAL PRACTICE

**INTENSIVE COURSE SEPTEMBER 2020**

# KEY INFORMATION

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

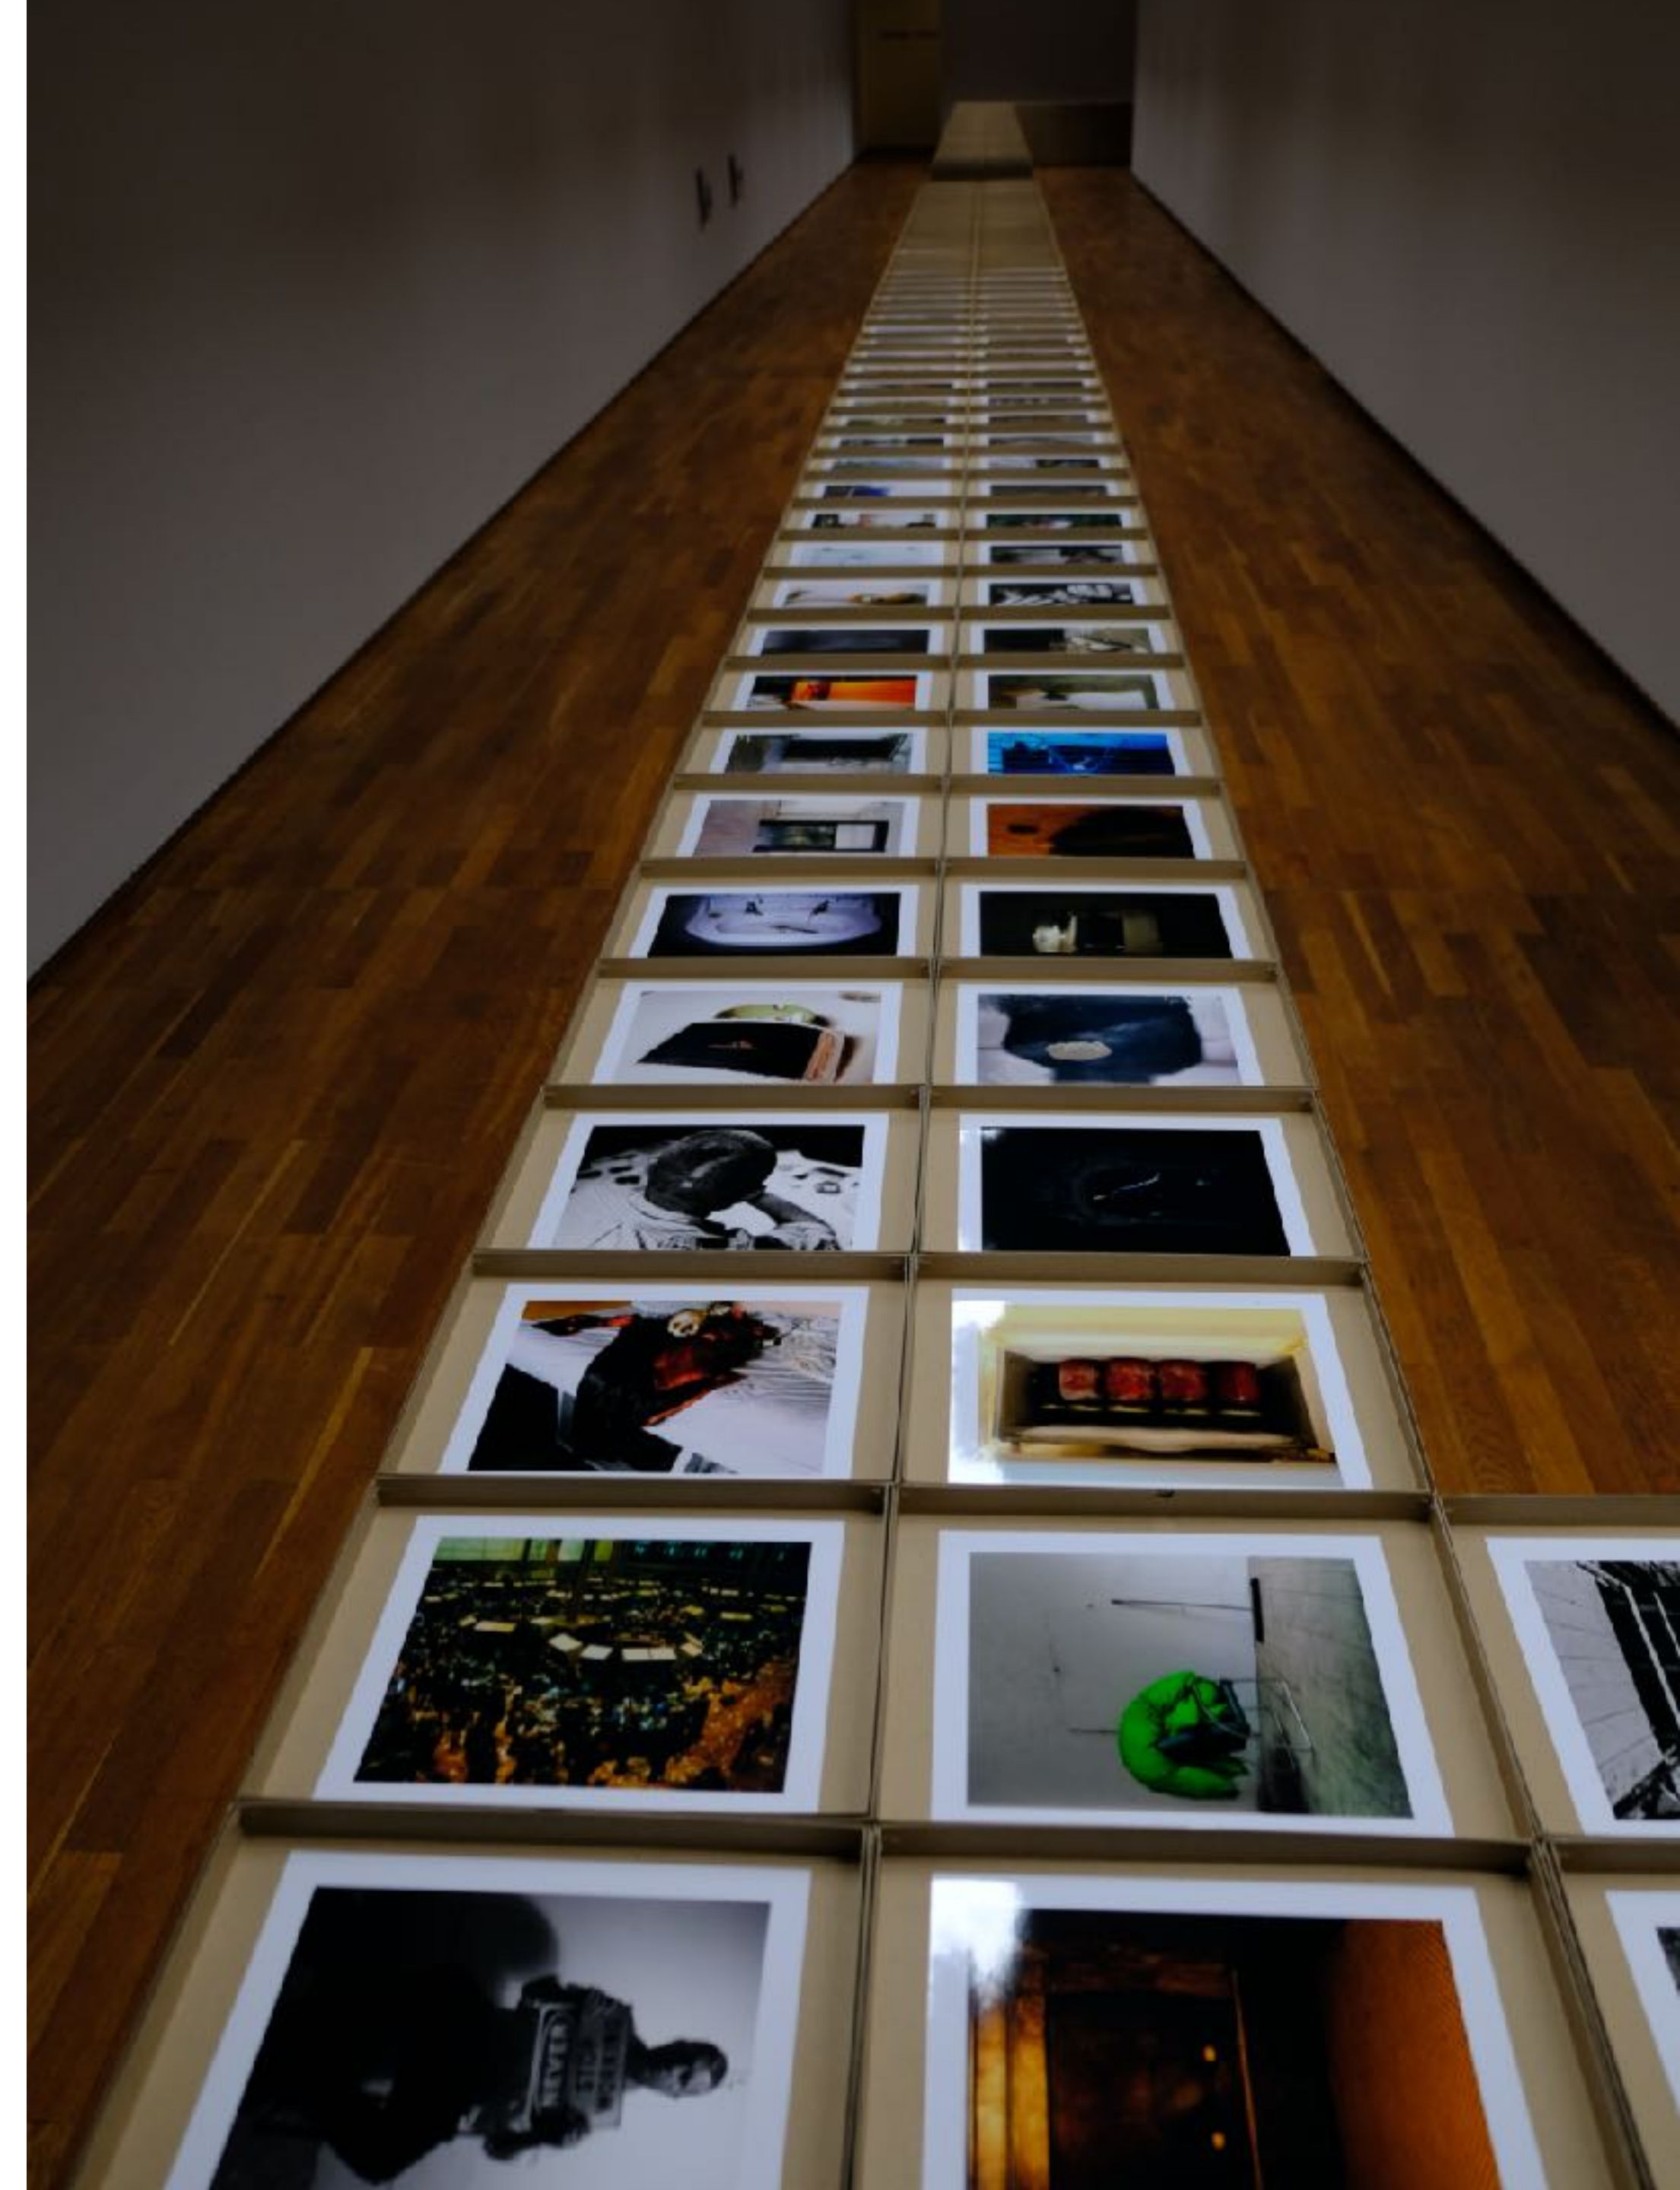

**Graduate level course  
e-learning**

**Duration: 2 months  
Start: 1 September 2020**

**Fee: 450 euros**

**Residents in Psychiatry (Portugal) : 300 euros**

**Members of SPPSM: 380 euros**

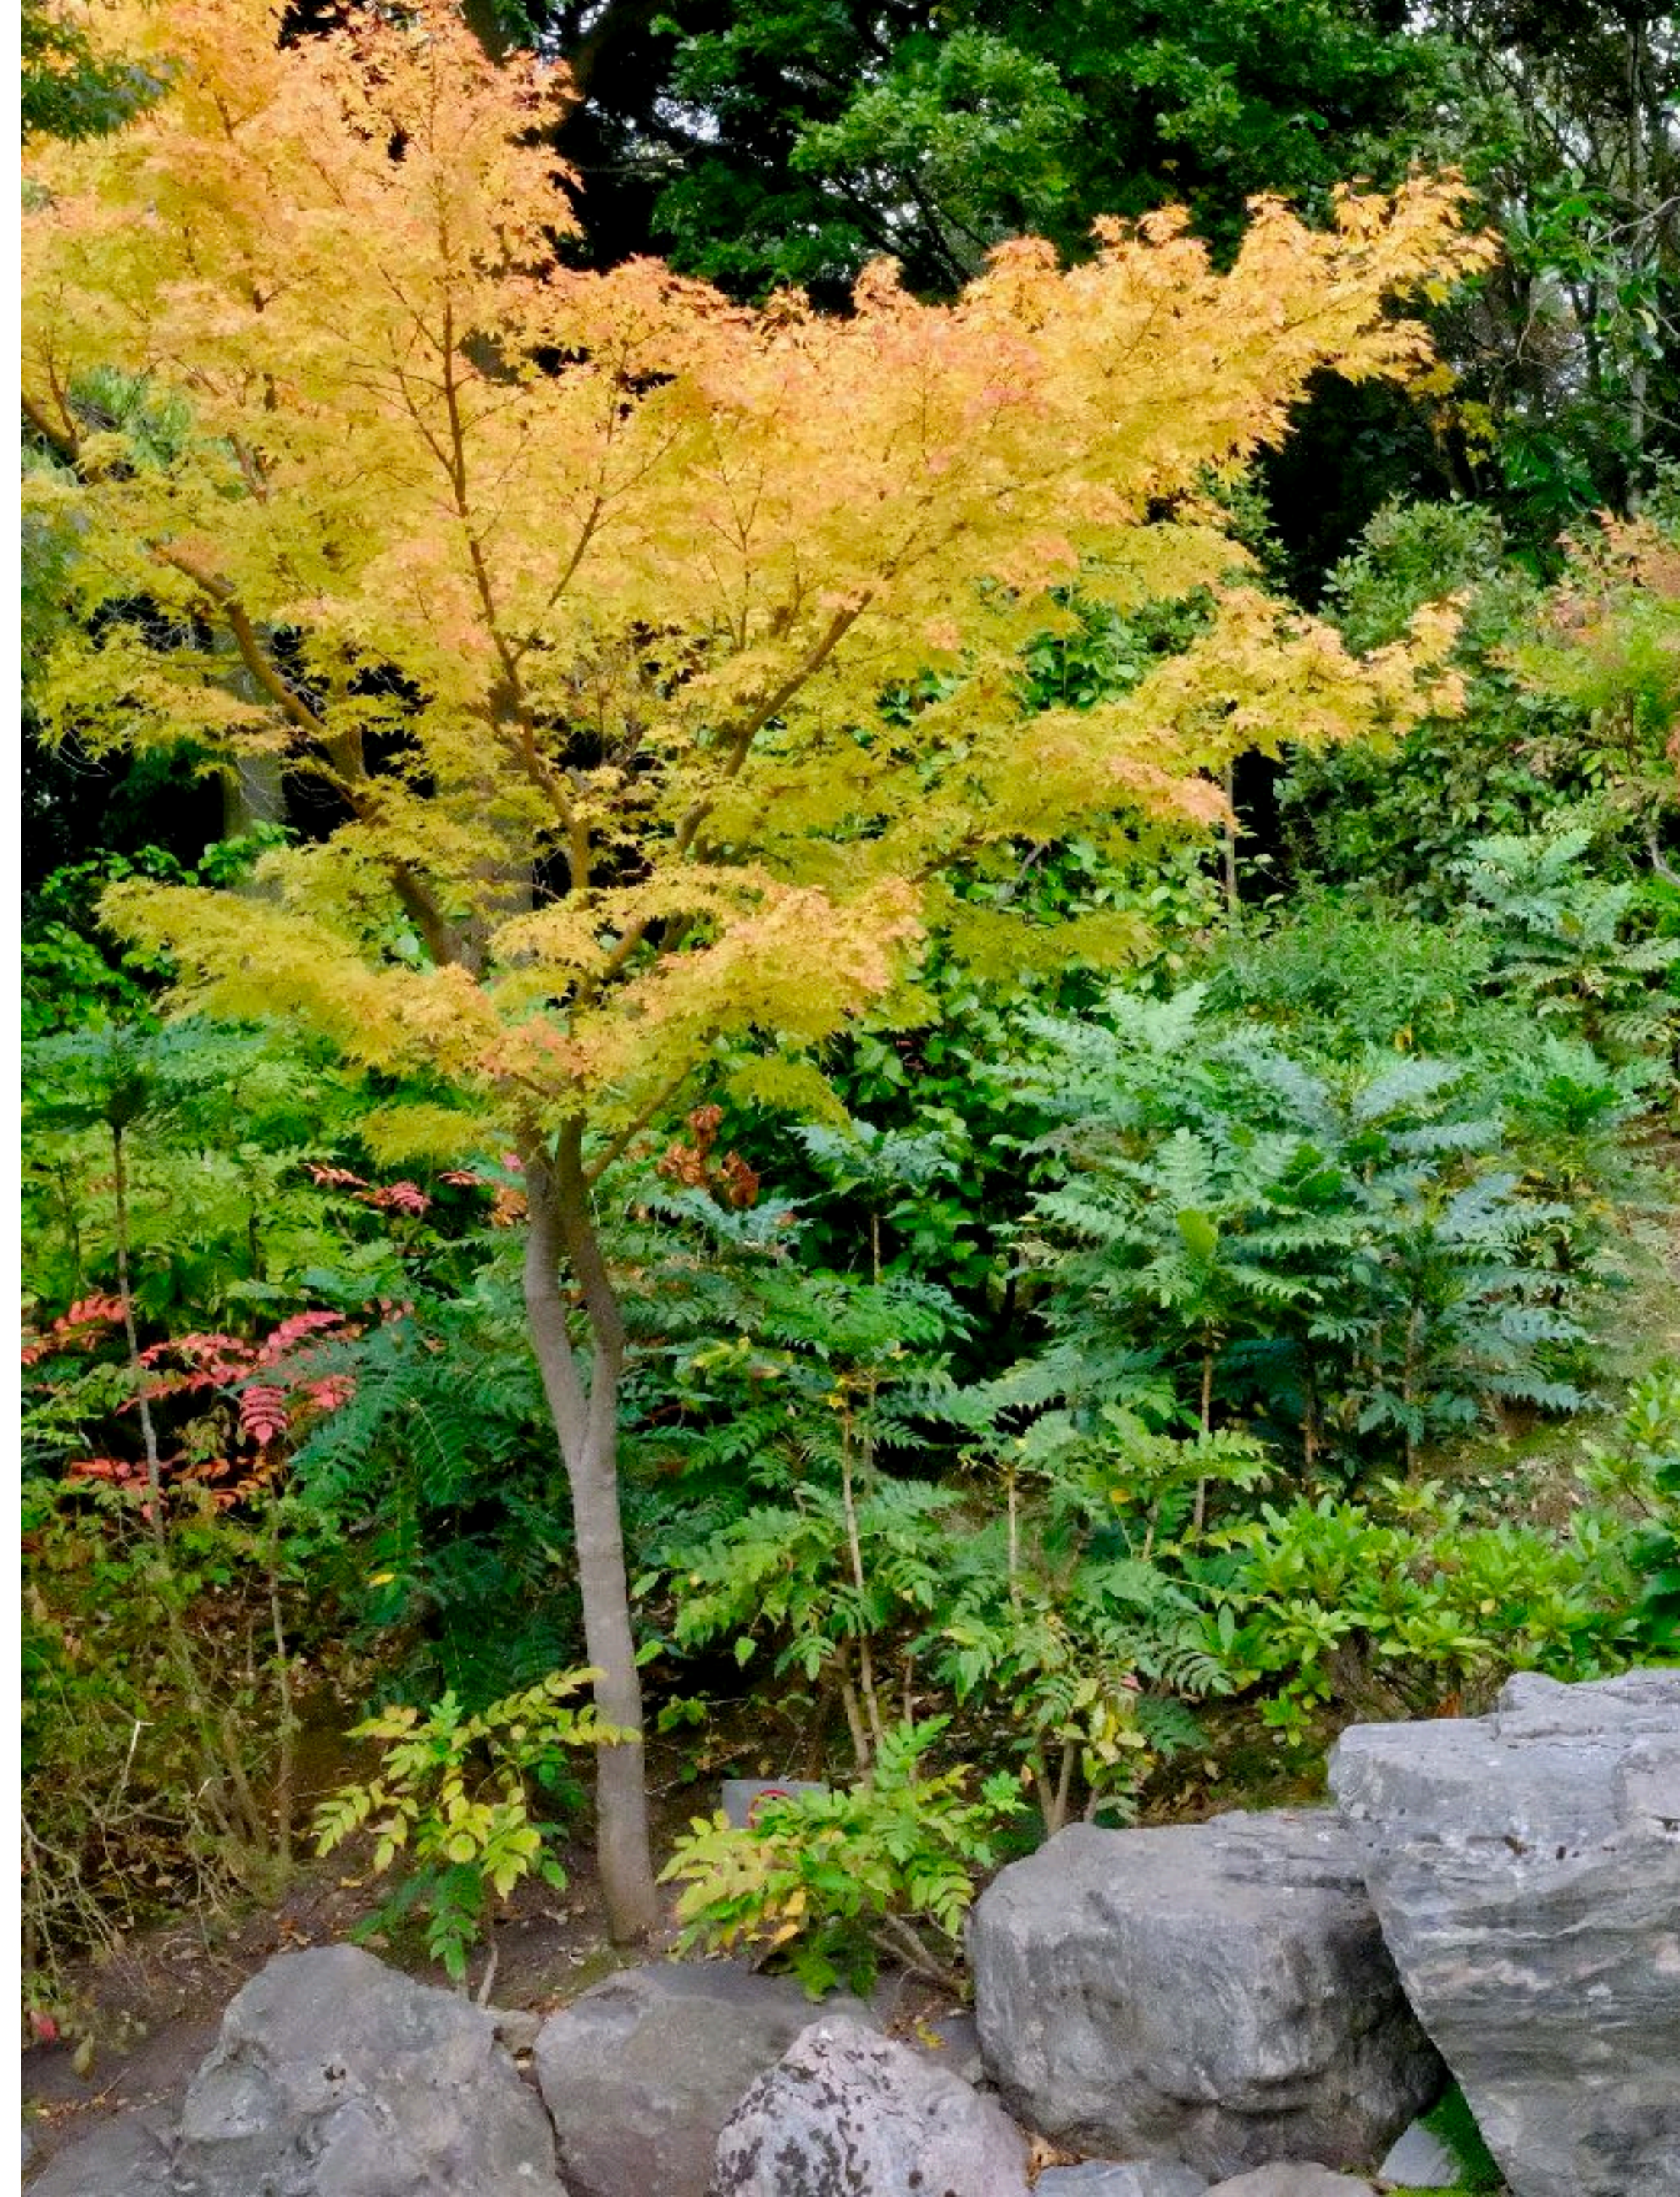

# KEY INFORMATION

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

**20 keynotes < 1 hour sessions  
10 hours of group supervision; 2 hours individual  
supervision**

**Evaluation: 5x 16 MC questions; drafting a 1st  
paper as research output**

**Topics ranging from concepts to clinical inputs  
and outputs from/to practice and research**

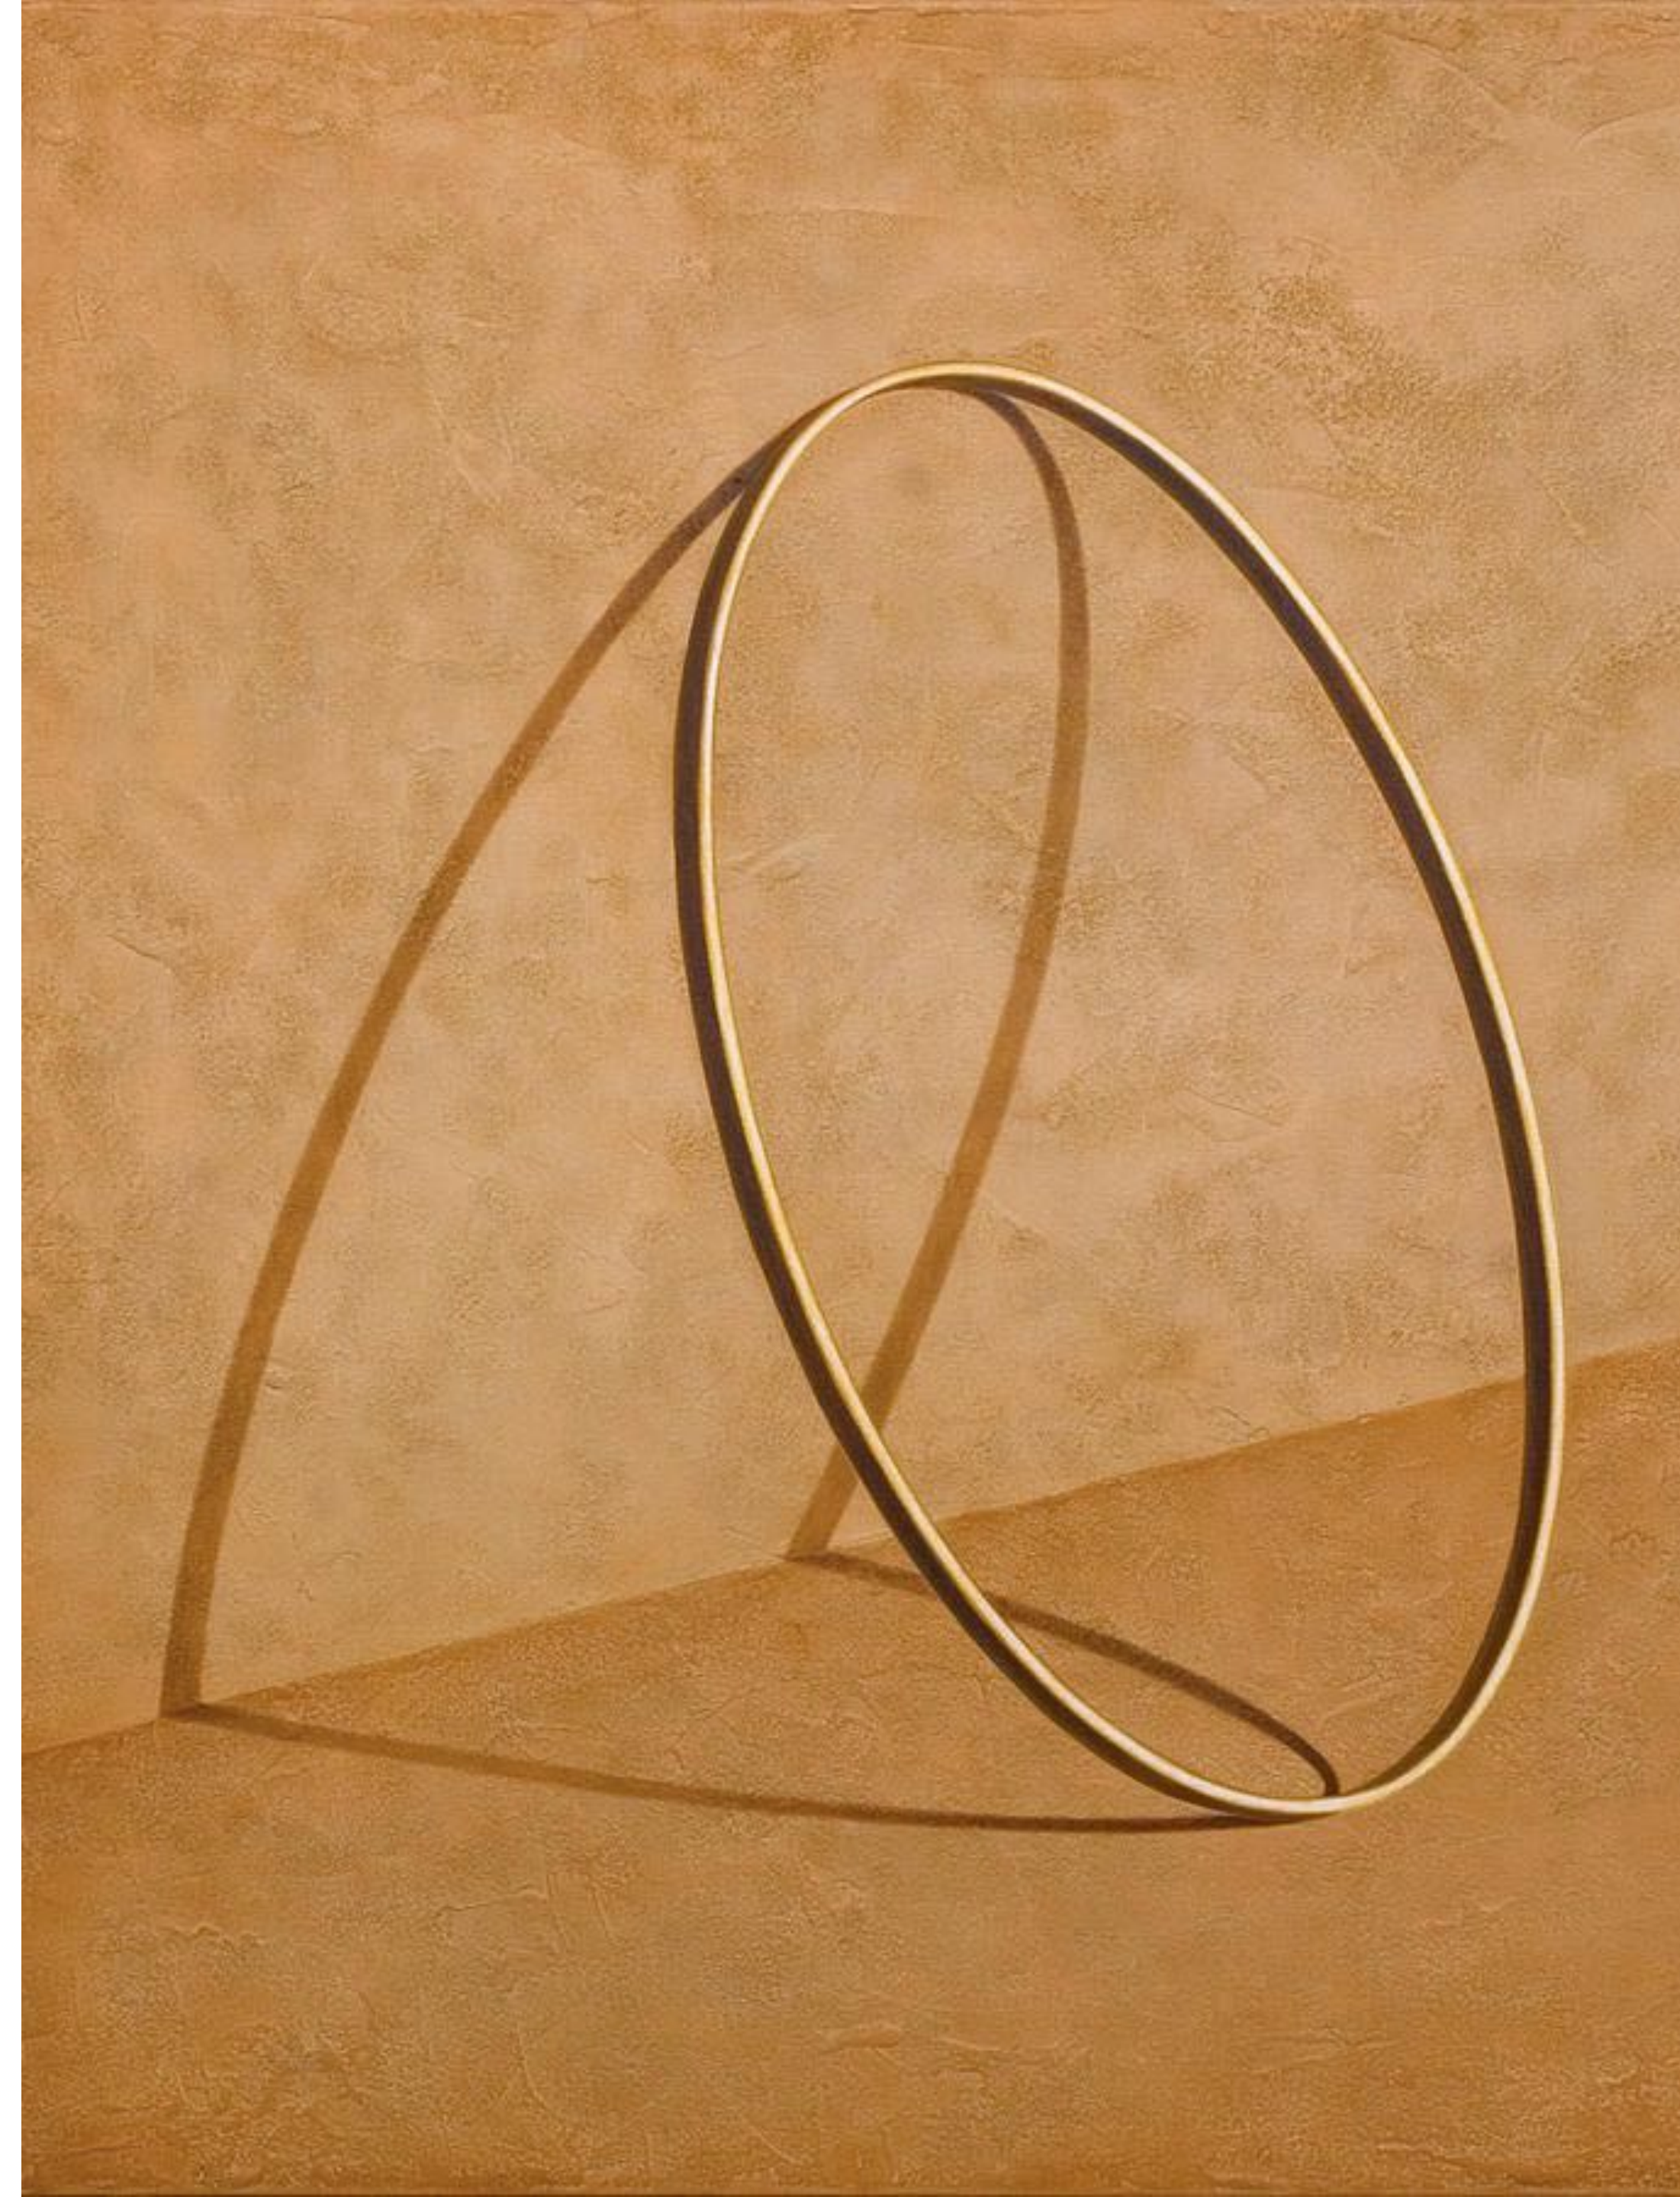

# SETTING THE REASONS

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

In the last century we've suffered **the loss of *Psychopathology*** as a core discipline of Medical curriculums and Psychiatric residency.

Many argue that psychiatric practice risks becoming overly simplified jeopardising diagnosis and research which might lead us into a dead in our interventions.

**Recent** interest and efforts to **reconsider Psychopathology in its complexity** - including **subjective, intersubjective** and **atmospheric** elements - **have provided a new hope.**

# OBJECTIVES

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

- Understand **core concepts** of phenomenological psychopathology
- Appreciate the **role of elements** of the basic structure of consciousness in the disturbance of “life-world” experience
- Rethink the **rational of phenomenologically based practice**
- Gather the **role of culture** in transformation of phenomena
- Understand the **relation between psychopathology and other fields of research**

# **COURSE STRUCTURE**

**ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY**

**1. INTRODUCTION TO PSYCHOPATHOLOGY**

**2. BASIC STRUCTURES OF CONSCIOUSNESS**

**3. CLINICAL APPLICATION**

**4. CULTURE AND PSYCHOPATHOLOGY**

**5. RELATIONS WITH OTHER FIELDS**

# COURSE STRUCTURE

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

Introduction to psychopathology													
16 MC Questionnaire													
1 hour seminar													
Basic Structures of consciousness													
20 MC Questionnaire													
1 hour seminar													
Clinical application													
16 MC Questionnaire													
1 hour seminar													
Culture and Psychopathology													
12 MC Questionnaire													
1 hour seminar													
Relations with other fields													
16 MC Questionnaire													
1 hour seminar													
Research module													
1 hour / student supervision													
1 hour / student intervention													
80 MC Sumative evaluation													
1 hour seminar: keynotes													

# TUTOR

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

**Luis Madeira**

**MD, Psychiatrist, CHLN (Lisbon)**

**MA, Philosophy and Mental health, UCLAN**

**PhD, Medicine, field of Psychiatry and MH, U Lisbon**

**Psychotherapist, Person Centred Approach**

**Professor of Ethics, Psychiatry and Mental Health  
(ULisbon)**

# CERTIFICATION

## ESSENTIALS OF PHENOMENOLOGICAL PSYCHOPATHOLOGY

- Certified by **Sociedade Portuguesa de Psiquiatria e Saúde Mental**
- **At the completion of course the delegates will receive a certificate with classification of 0-20 (80% MC Questionnaire and 20% participation)**
