

## CONGRESS PROGRAMME

### Thursday, 28 April

#### 09.00 Opening Session

##### Symposium I TUMOUR IMMUNOLOGY

Chairs: José Dinis, Jocelyne Demengeot

**09.30** Bruno Silva Santos . Portugal  
*Gamma-delta T lymphocytes in the tumour environment: from oncoimmunology to adoptive cell immunotherapy.*

**10.00** Jolanda de Vries . Netherlands  
*Harnessing adaptive immune responses in hereditary cancer.*

**10.30** 2 selected oral presentations

**11.00** Coffee-break

##### Symposium II IMMUNOMODULATION OF CANCER

Chairs: Bruno Silva Santos, Júlio Oliveira

**11.30** Frederick Arce Vargas . United Kingdom  
*Targeting immune regulation in the tumour site.*

**12.00** Jeffrey Weber . United States  
*Novel checkpoint blockade combinations and biomarkers.*

**12.30** 2 selected oral presentations

**13.00** Lunch

#### 14.00 Poster Parallel Sessions

##### Symposium III RADIATION BIOLOGY AND RADIOTHERAPY

Chairs: Luísa Carvalho, Pedro Almeida

**16.00** Rolf Lewensohn . Sweden  
*(title to be announced)*

**16.30** Marie Dutreix . France  
*Focus on the combination of DNA repair inhibitors with radiotherapy.*

**17.00** 2 selected oral presentations

**17.30** Coffee-break

**18.00**  
**19:00** ASPIC General Assembly

**20.00** Congress Dinner

### Friday, 29 April

##### Symposium IV SIGNALING PATHWAYS: THE ANDROGEN RECEPTOR MODEL

Chairs: Carmen Jerónimo, Nuno Sousa

**09.30** Wytse van Weerden . Netherlands  
*The continued role of AR in castration-resistant prostate cancer.*

**10.00** Tiffany Traina . United States  
*The role of the AR in advanced breast cancer.*

**10.30** 2 selected oral presentations

**11.00** Coffee-break

##### Symposium V CELL AND TUMOUR BIOLOGY

Chairs: Luís Costa, Fátima Baltazar

**11.30** Gunther Boysen . United Kingdom  
*Molecular features of SPOP mutant/CHD1 deleted prostate cancer.*

**12.00** Joan Seoane . Spain  
*Tackling intratumour heterogeneity in brain tumours.*

**12.30** 2 selected oral presentations

**13.00** Lunch

##### PLENARY LECTURES

Chairs: Manuel Sobrinho Simões, Nuno Miranda,  
Jorge Soares, Carlos Camps

**14.00** Alberto Cambrosio . Canada  
**ASPIC lecture**  
*Mapping the development of Portuguese clinical research in oncology.*

**14.45** Luis Paz Ares . Spain  
**ASEICA lecture**  
*Lung cancer precision treatment.*

**15.30** Richard Marais . United Kingdom  
**EACR lecture**  
*RAS and RAF signalling in melanoma: from basic biology to clinical responses.*

**16.15** Awards  
Closing Session
